TO: Parents providing their Own Transportation – "OT"

FROM: Joyce Nejman Hill

Please drop off campers between 8:15 and 9:00 A.M. at your assigned gate, and pick up campers between 3:45 AND 4:15 at your assigned gate. Please drop-off and pick-up on the **fence side** of Rock Lane, with the gates on your right (passenger side). This way, campers will not have to cross the street. Counselors will be at each gate to control traffic and help campers to and from their cars safely. Please be patient. It will run smoothly after a day or two. There will be a counselor on duty to walk the campers to their cabins so that there is no need for you to park once your children are safely inside the gate.

Parents are requested to drop off and pick up children at the gate assigned, **GATE #1** (next to creek) or **GATE #2** (at end of lake). See map. The only time the gate at the end of the driveway is used would be when gates 1&2 are closed due to the level of the creek and lake being too high from heavy rains.

Please inform us in writing, or call Joyce, if you have any changes to who will be picking up your child. This will be kept on file. If your child will be late or not attending camp, please text that morning or the night before at 267-939-4455 (Joyce). This is the only way we will know if your child is not coming to camp. Just like school, you need to contact us.

IMPORTANT NOTES: Please check our website regularly. We will be posting important memos, announcements, and news on the NEWS page. (Our effort to save a few trees. :-) Please remember to have your camper bring a pair of flip-flops for going to and from the pool and cabins.
Thank you!
